

ICBDO3050CM/B

FEATURES

Cook for a crowd, with two ovens and twice the capacity

Preheats faster and cooks more consistently across all racks due to its advanced Dual VertiFlow™ convection system

Assures predictably delicious results with 10 microwave power levels, convenient quick-start modes, and an intuitive Gourmet mode

Prepares 50 popular dishes with the Gourmet feature that automatically adjusts cook times and temperatures

Handles multiple dishes simultaneously with our largest capacity oven (13 percent larger)

Insert a temperature probe to tell you exactly when it is done—and in Gourmet Mode, it will alert you the moment the dish is ready.

Uncomplicate cooking with innovative, interactive colour touchscreen controls

Blends in with a sleek black glass, handleless design

Integrates beautifully into surrounding cabinetry with flush installation

Ensures excellent visibility via three bright halogen lights and large, triple-panel-glass door windows

Master your technique with tips and recipes from the Mastering the M Series Oven guide
