

**ICBEC3050TE/S****FEATURES**

Full-colour touchscreen simplifies use and adds refinement to the design

Save favourites within six independent user profiles for a perfect cup that's just a touch or two away

Easily customize every aspect of your beverage, including type, strength, temperature, quantity, and milk preference

Beverage options include Americano, Cappuccino, Coffee, Doppio, Espresso, Flat White, Hot Milk, Hot Water, Latte, Latte Macchiato, Long Coffee, Macchiato, Milk Froth, Steam

Insulated milk container with light-to-thick froth regulator

Accepts whole bean or ground coffee

2.5-liter water tank yields 6 cups of 265mL coffee before needing to be refilled.

Dual-dispensing spout easily adjusts to the height of your cup

Self-cleaning system ensures your perfect cup is only moments away—no cumbersome cleanup

Discreet in-unit storage

Installs nearly anywhere—without special water lines

The elegant, modern aesthetic perfectly pairs with a full suite of similarly styled Sub-Zero and Wolf appliances

Built with premium-grade materials, Wolf products are designed to last a minimum of 20 years
