

ICBSO24TE/S/TH

FEATURES

Control heat and airflow expertly with a convection fan to create just the right cooking environment for everything from Cornish hens to cherry pie to butternut squash

Insert a temperature probe to tell you exactly when it is done—and in Gourmet Mode, it will alert you the moment the dish is ready.

Includes options such as self-clean and quick preheat

Small size and versatile design to fit in any kitchen

Integrates beautifully into surrounding cabinetry with flush installation

Promotes excellent visibility via two bright halogen lights and large, double-panel-glass door windows
